

MUSIC DAYS-OCTOBER

CHILDREN'S WORKSHOP students practiced Halloween songs for the upcoming Halloween program. We incorporated the practice of *eurhythmics*-the study of rhythmic movement to music. Your children marched, swayed, clapped, nodded and bopped to our Halloween program songs. Ask your children about these songs we sang today:

- **Stirring and Stirring the Brew**
- **Six Little Ghosts**
- **The Goblin Band is Coming to Town**
- **The Cats in the House**
- **If you're Spooky and You Know it**

We are really looking forward to performing these songs for you, during our upcoming Halloween Program—October 29th and 30th.

You can instill music in your child by encouraging them to sing—sing the letters in their name, to numbers and so on. Encourage them to make up their own songs to familiar tunes. Try listening to classical music during a quiet time at home, while coloring or doing puzzles.
